

Adem Bennour

IT Engineering Student

As an IT Engineering student with a strong passion for innovation and leadership, I have founded and led multiple ventures, managing large-scale events, partnerships, and teams. My background spans web development, project management, and entrepreneurial endeavors, where I have consistently demonstrated skills in logistics, communication, and coordination. With certifications in digital marketing and soft skills, combined with fluency in multiple languages, I am driven by curiosity, creativity, and a desire to make a positive impact on the global stage.
